PROFESSIONAL SUMMARY

Aspiring Full Stack Web Developer with hands-on experience building responsive, user-friendly web applications using the MERN stack. Certified in AI-Enhanced Full Stack Web Development (MERN) by Illinois Tech and NSDC. Brings a unique advantage from a prior background in construction and BIM modeling — strong in logical precision, project coordination, and translating complex requirements into clean, maintainable code. Eager to contribute to impactful digital products through collaborative teamwork and continuous learning.

CERTIFICATIONS

AI Enhanced Full Stack Web Development (MERN) | Issued by: Illinois Institute of Technology, Entri Elevate, NSDC

Description:

Completed an intensive MERN stack program (MongoDB, Express.js, React.js, Node.js) and built full-stack web applications with RESTful APIs, JWT authentication, and responsive front-end interfaces.

Gained hands-on experience with AI-assisted development tools, version control with Git and GitHub, Socket.io for real-time features, and real-world project-based assignments.

Certificate validates industry-ready skills in JavaScript (ES6+), TypeScript, Next.js, Redux Toolkit, and modern full-stack development practices.

SKILLS

- **Front-End:** HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Next.js, Redux Toolkit, Context API, react-hook-form, Tailwind CSS, Bootstrap, SCSS, Responsive Design, Framer Motion
- **Back-End:** Node.js, Express.js, REST API Design, JWT Authentication, bcryptjs, node-cron, jsonwebtoken
- **Databases:** MongoDB, Mongoose.
- **Libraries & Tools:** Socket.io (real-time), Stripe API (payments), Axios, Zod (validation), Nodemailer, Lazy Loading, Caching
- **Dev Practices:** Git, GitHub, Performance Optimization (lazy loading, caching)
- **Interpersonal:** Problem-solving & debugging, Clear technical communication, Adaptability to new technologies, Mentoring & code reviews

PROJECTS

MovieVerse – Developer Networking & Social Platform | [Live Demo](#)

Tech Stack: React.js, Node.js, Express.js, MongoDB, Socket.io, JWT, Tailwind CSS

- Designed and built a full-featured AI Powered Recommendation platform for developers with profile creation, follow/unfollow, and activity feeds.
- Implemented real-time bidirectional chat using Socket.io (WebSockets), enabling instant messaging with live online status indicators.
- Secured all routes with JWT-based authentication and bcryptjs password hashing; built protected API endpoints with role-based access.
- Delivered a responsive, dark-mode-enabled UI with Tailwind CSS, optimized for both desktop and mobile experiences.

Cartique – Full-Stack E-Commerce Web Application | [Live Demo](#)

Tech Stack: Express.js, Redux Toolkit, Node.js, Express.js, MongoDB, Stripe API

- Architected and developed a production-ready e-commerce platform featuring user authentication, product listings with category filtering, and a complete cart-to-checkout flow.
- Integrated Stripe API for secure payment processing, handling real-time payment status and order confirmation workflows.
- Built an admin dashboard for product and order management with server-side rendering via Next.js for improved SEO and performance.
- Implemented Redux Toolkit for scalable global state management across cart, user sessions, and order history.

Modern Weather App – Real-Time Weather & 5-Day Forecast | [Live Demo](#)

Tech Stack: *HTML5, CSS3, JavaScript (ES6+), Bootstrap 5, Font Awesome, OpenWeather API*

- Built a fully responsive weather application that fetches real-time weather data and a 5-day forecast using the OpenWeather API.
- Implemented dynamic UI updates based on weather conditions, displaying temperature, humidity, wind speed, and weather icons via Font Awesome.
- Designed a clean, mobile-first layout using Bootstrap 5 with location-based search and smooth user experience across all screen sizes.
- Handled asynchronous API calls with JavaScript Fetch API and ES6+ features including async/await, destructuring, and template literals.

EDUCATION

Diploma — Building Design - CAD PRO | Autodesk 2019

ITI Diploma — Draughtsman Civil | R. Ganesh Memorial Victory ITI, Thrissur 2016 – 2018
